  silver

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

## YD-6221

black
  white
  silver

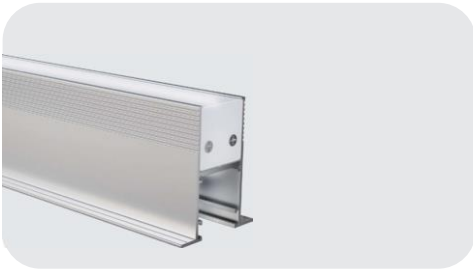

### Features

**Material:** ALU 6063-T5

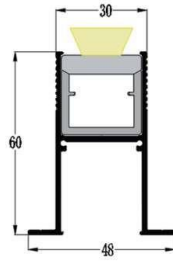

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent frosted

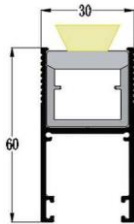

**YD-2201**

**YD-2202**

IP67

black
  white
  silver

**Features**

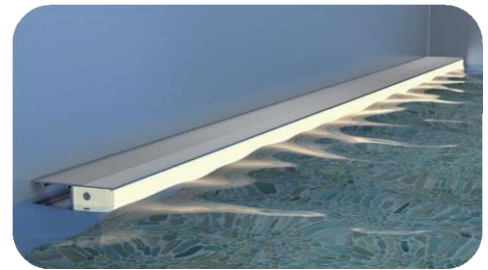

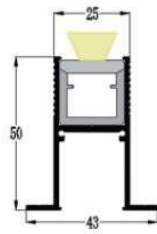

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

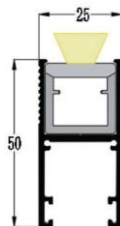

**Pc cover option:** opal diffuser frosted

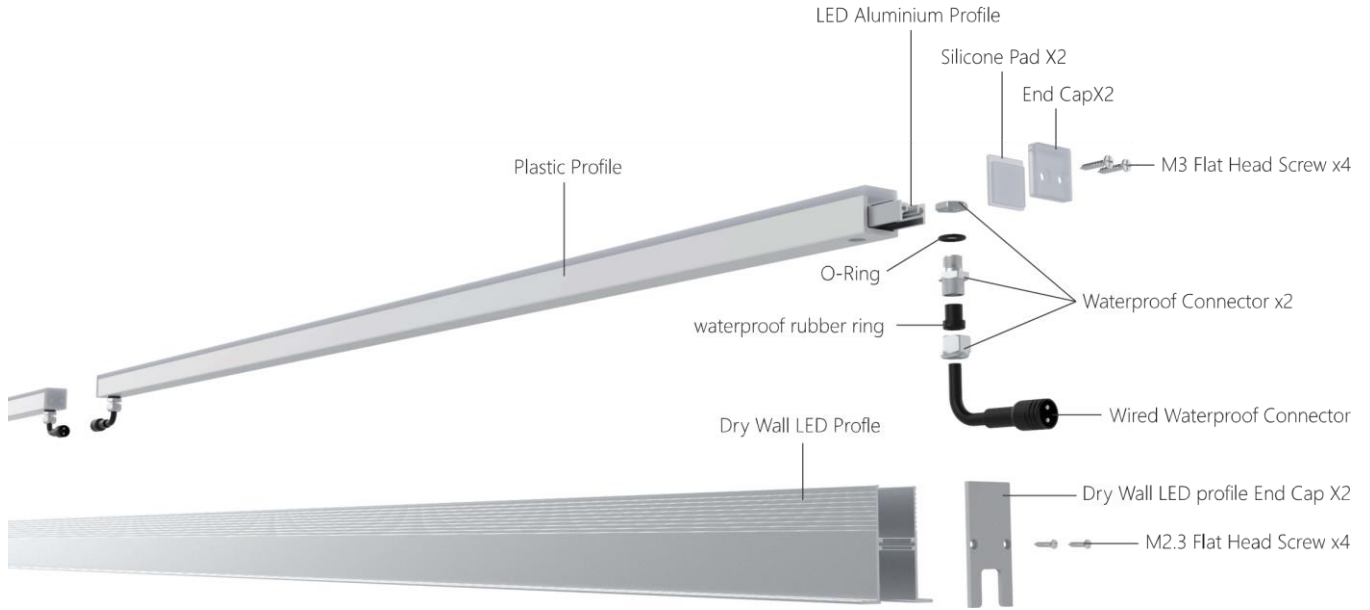

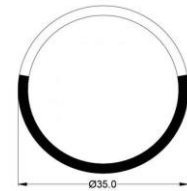

**YD-2203**

**YD-2204**

## YD-2205 IP67

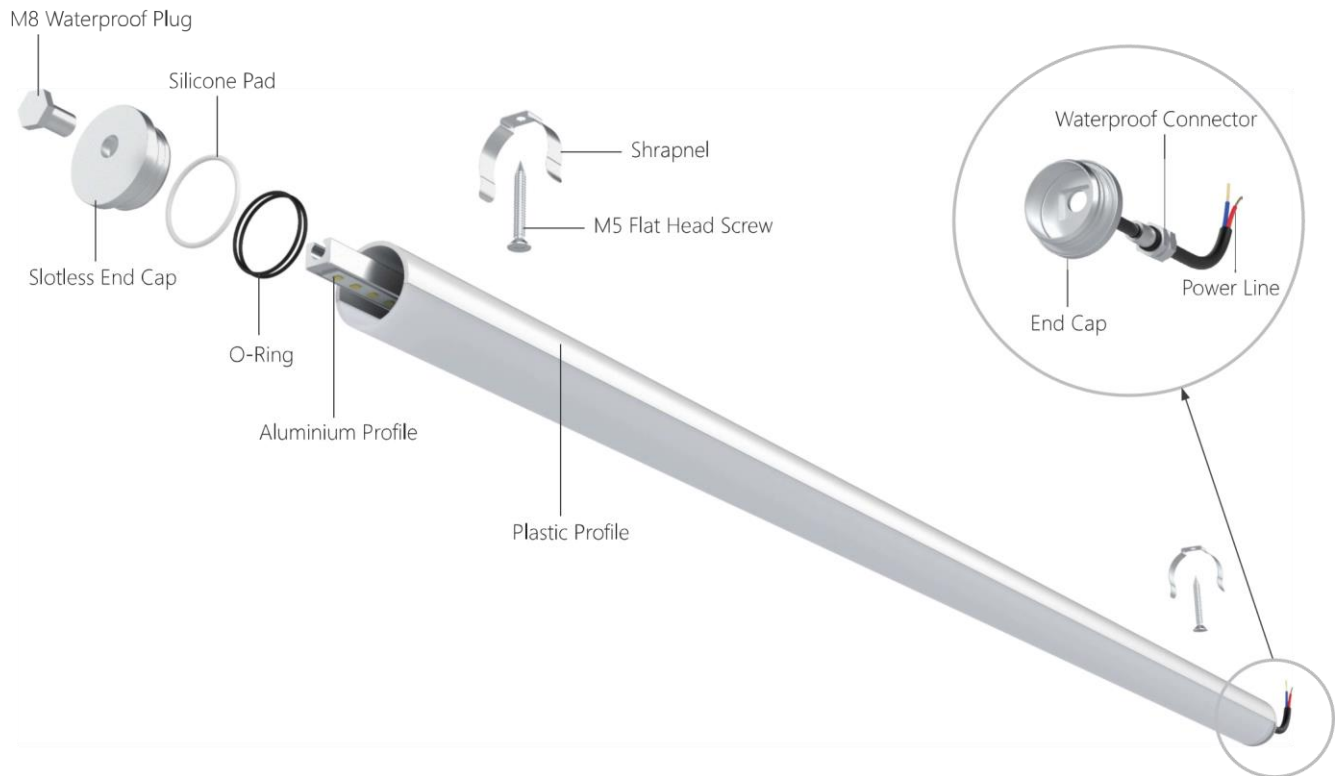

black
  white
  silver

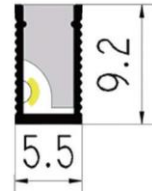

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**Pc cover option:** opal diffuser frosted

## YD-0201

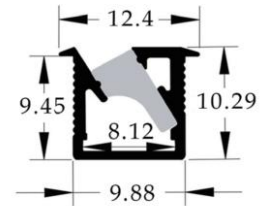

copper dark grey silver

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

## YD-0202

copper dark grey silver

### Features

**Material:** ALU 6063-T5

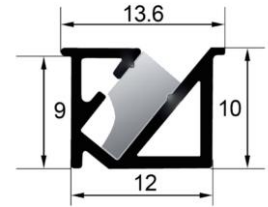

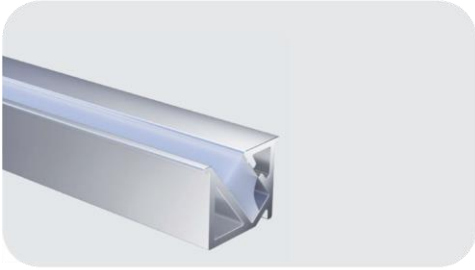

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

# YD-0204

    
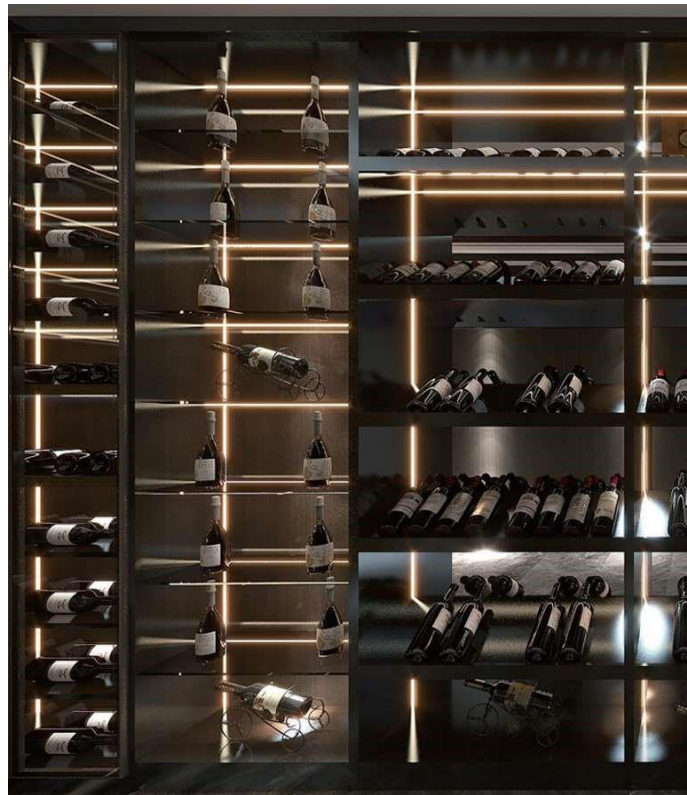

copper dark grey silver

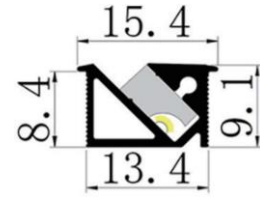

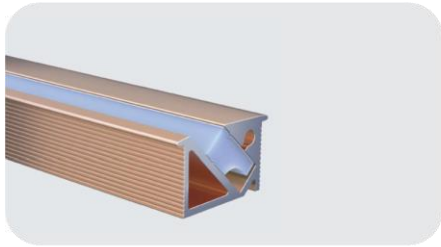

## Features

Material: ALU 6063-T5

Available length: 0.5-3m

cover option: opal diffuser , transparent , frosted

## YD-0205

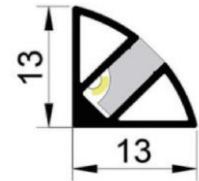

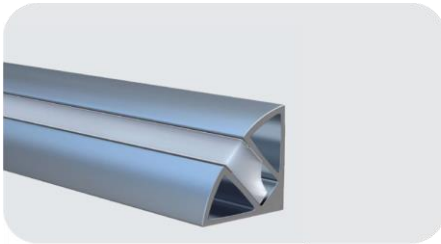

copper dark grey silver

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

## YD-0203

copper dark grey silver

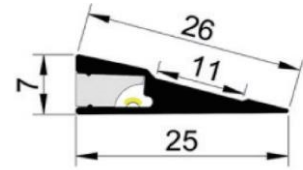

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

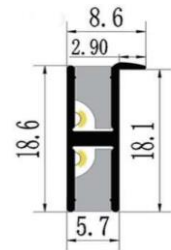

## YD-0206

copper
  dark grey
  silver

<b>Features</b>
<b>Material:</b> ALU 6063-T5
<b>Available length:</b> 0.5-3m
<b>cover option:</b> opal diffuser transparent frosted

5

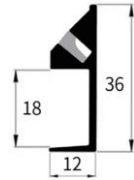

## YD-0207

copper
  dark grey
  silver

<b>Features</b>
<b>Material:</b> ALU 6063-T5
<b>Available length:</b> 0.5-3m
<b>cover option:</b> opal diffuser , transparent , frosted

## YD-0208

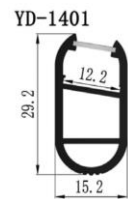

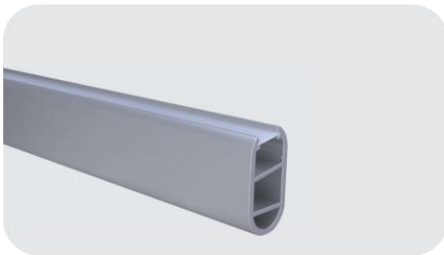

copper
  dark grey
  silver

**Features**

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser transparent frosted

## YD-1401

black
  white
  silver

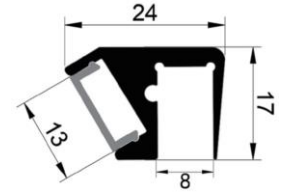

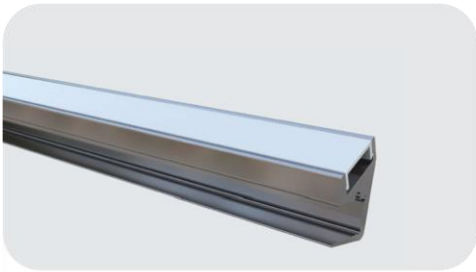

**Features**

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

## YD-2417

● black   ○ white   ● silver

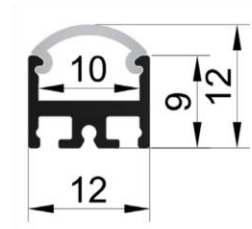

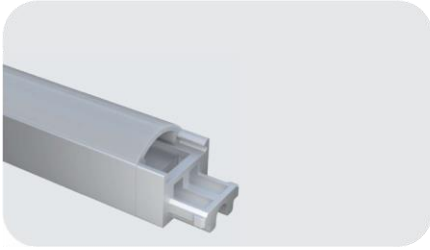

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser   transparent   frosted

## YD-1212

● black    ○ white    ● silver

### Features

CRI: Ra>80/Ra>90

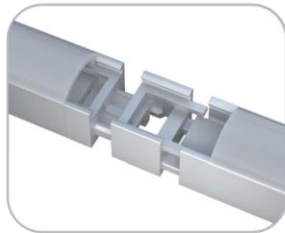

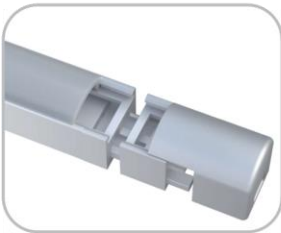

Input Voltage: DC 24V

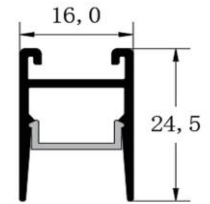

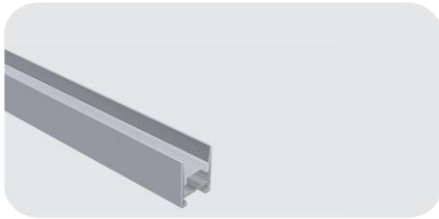

Service life: 5000hours

Power: 2.5W/7.5W/15W

Connectable range: 0.1-12m

Dimming method: Dimmable, Dali, external switch

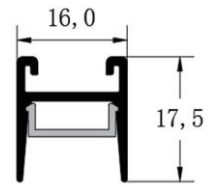

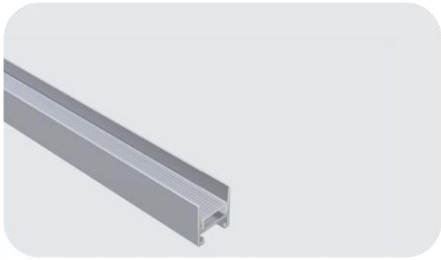

### YD-2213N

- black
- white
- silver

<b>Features</b>
<b>Material:</b> ALU 6063-T5
<b>Available length:</b> 0.5-3m
<b>cover option:</b> opal diffuser , transparent , frosted

## YD-2214

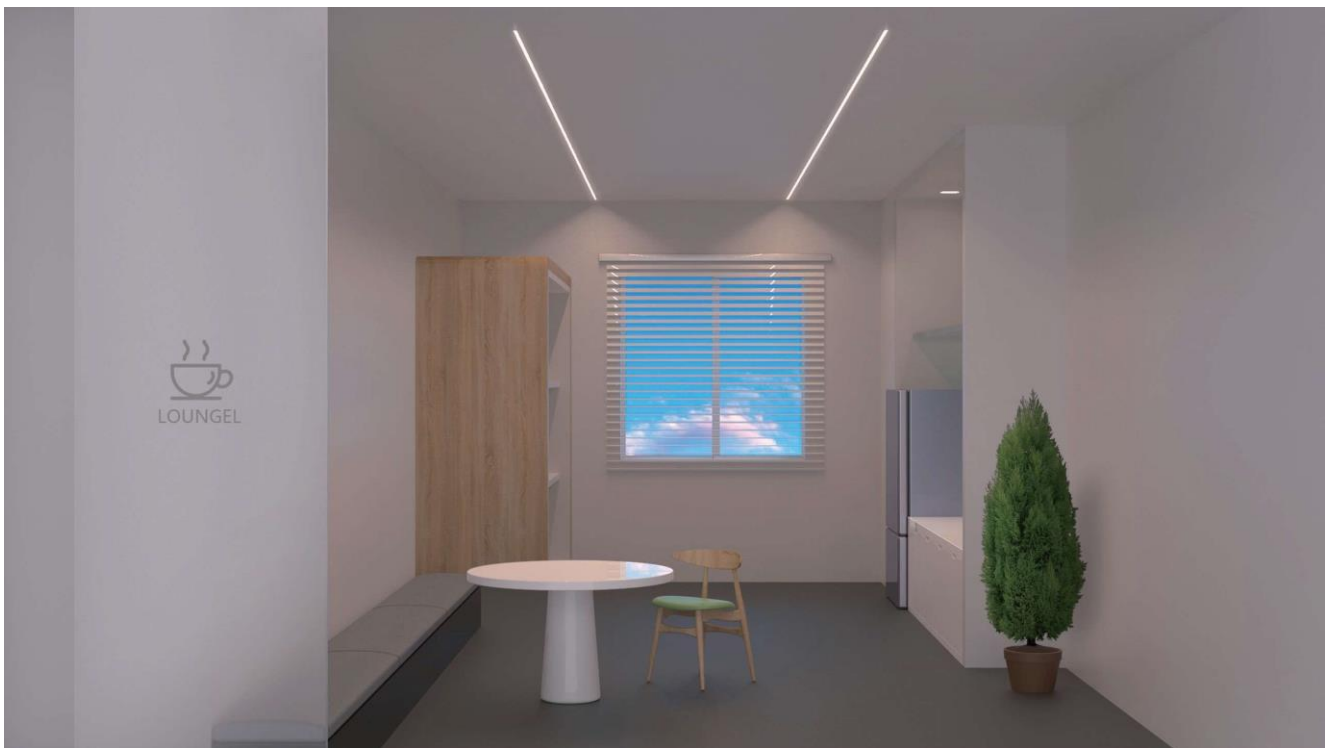

● black   ○ white   ● silver

### Features

Material: ALU 6063-T5

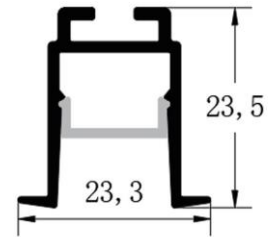

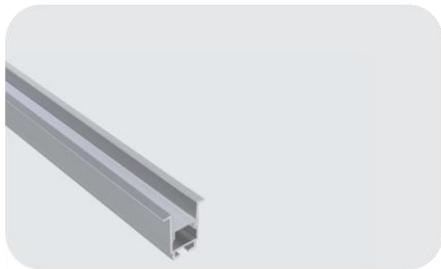

Available length: 0.5-3m

cover option: opal diffuser, transparent, frosted

LED Aluminum Profile

## YD-2215

black
  white
  silver

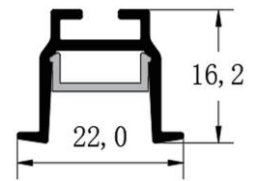

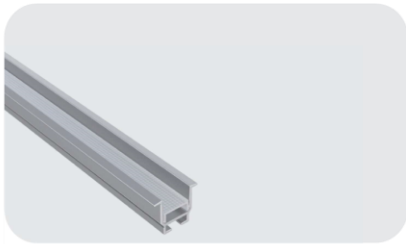

### Features

**Material:** ALU 6063-T5

**Available length:** 0.5-3m

**cover option:** opal diffuser , transparent , frosted

## YD-2216

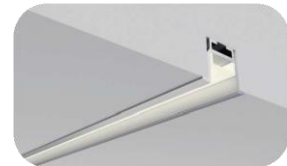

● black   ○ white   ● silver

### Features

Material: ALU 6063-T5

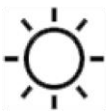

Available length: 0.5-3m

cover option: opal diffuser , transparent , frosted

## YD-2228

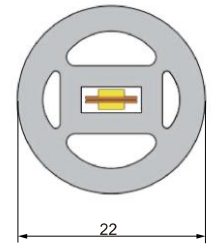

**360-degree uniform luminescence**  
360-degree lighting full circle without dark area

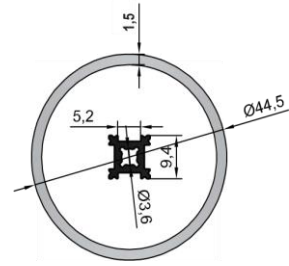

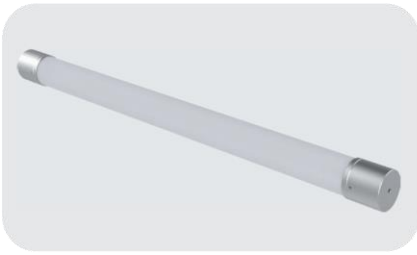

**Free cutting**  
Cut at any position  
Free application and unlimited design

**Bend at will**  
There is no direction restriction  
Distort shape at will

## YD-D45

### Aluminum Profile

Material: ALU 6063-T5

Color :anodized silver available another color can be customized

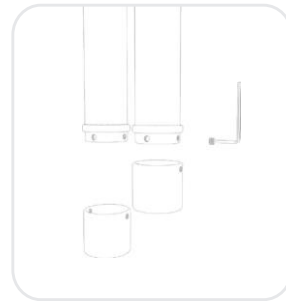

### Cover

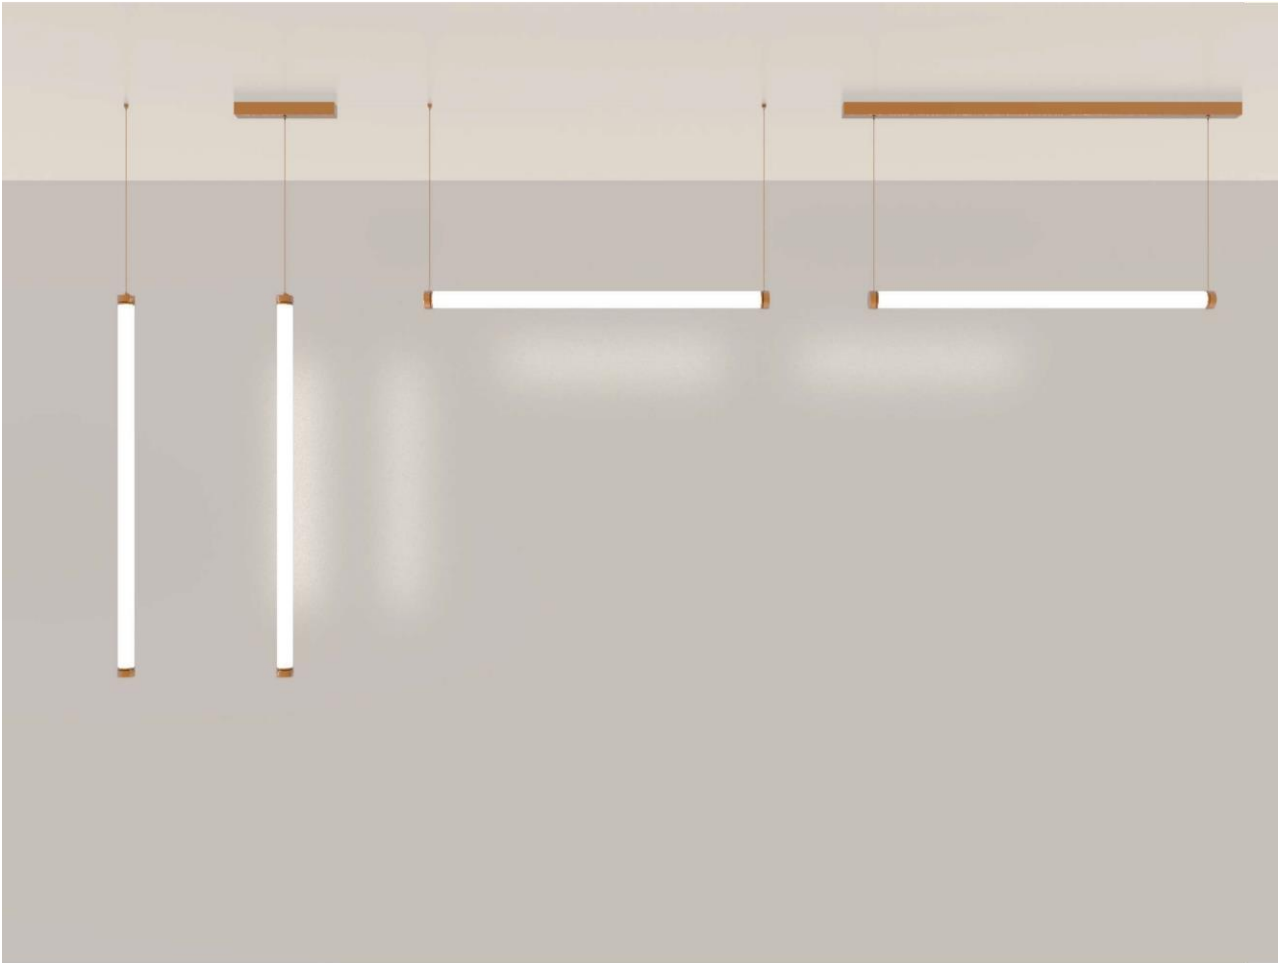

Material : imported pc plastics

Color:frosted,opal diffuser,transparent

### End cap

Material: ALU6063-T5

Outer End Cap

Inner End Cap

2-side connector

3-side connector

3-side connector for corner

4-side connector

5-side connector

6-side connector

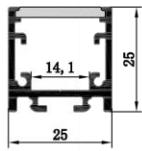

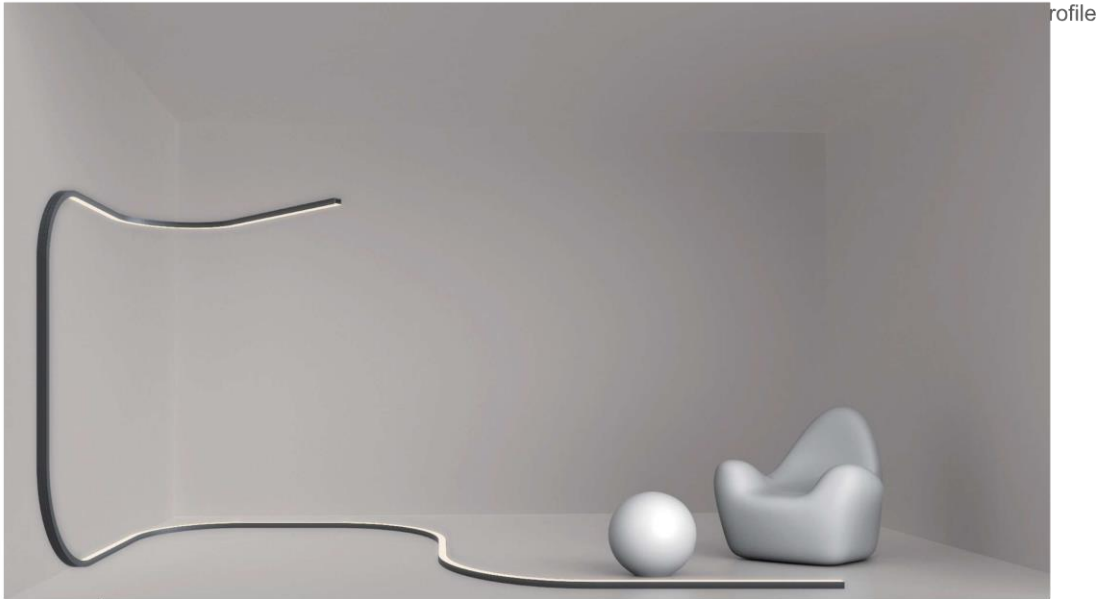

Fixed part

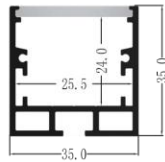

Suspension kit

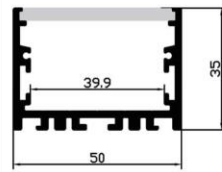

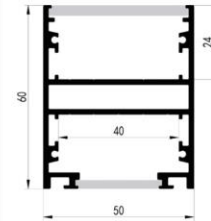

**YD-2525-R**

**YD-3535-R**

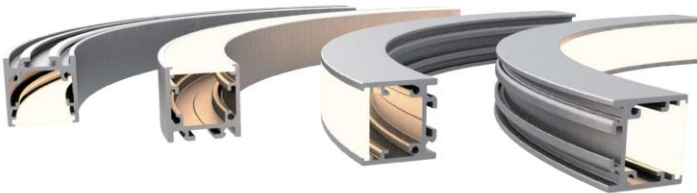

**YD-5035-R**

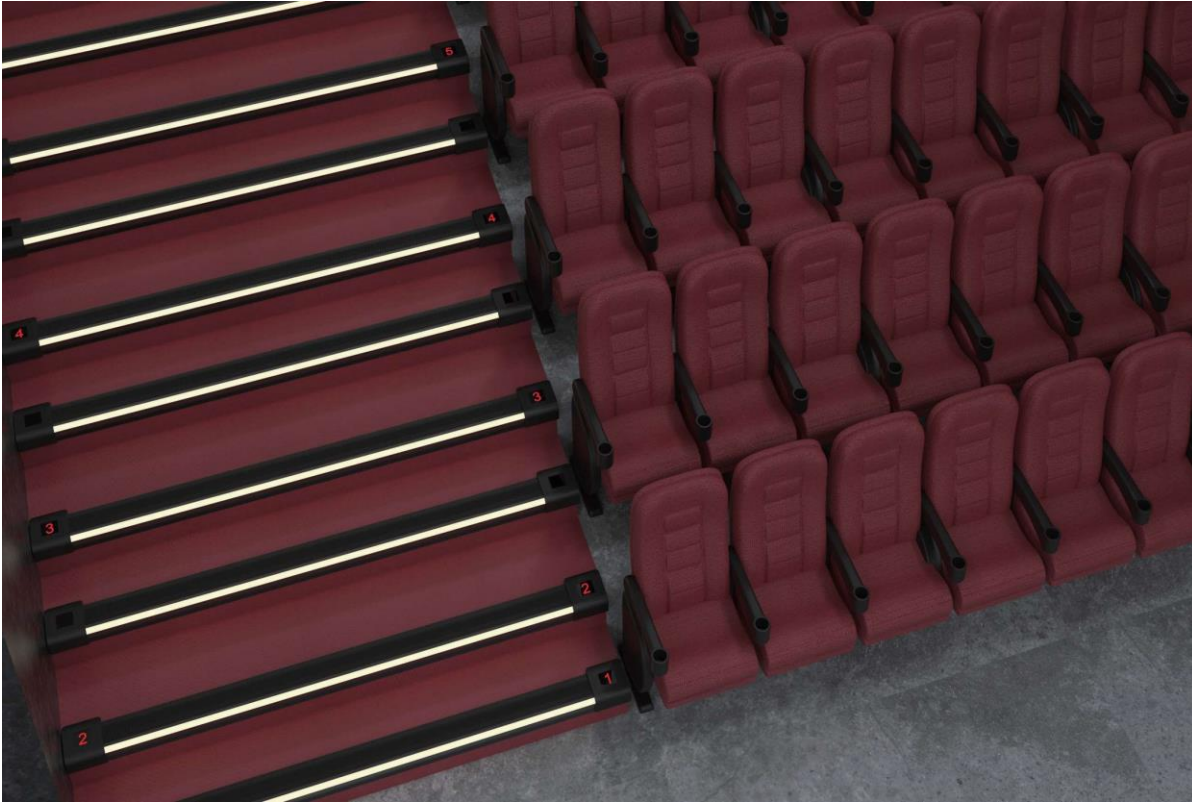

**YD-6050-R**

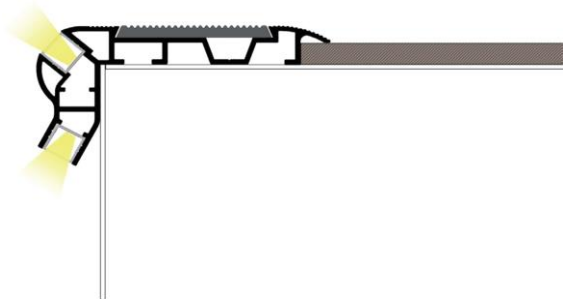

**Features**  
 Material: AL6063-T5  
 Available length: 0.5-4m  
 cover option: silicone cover / 50m\roll , 100m\roll

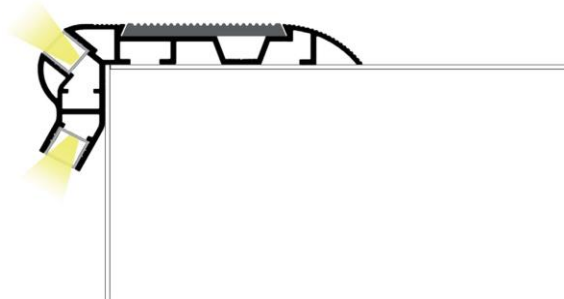

It is easy to make all kinds of arc splicing shapes  
 Inner and outer arc luminescence  
 Up and down luminescence
