## connection Instruction

## Package Details

5meter/roll

1 roll/bag

carton360X240X240mm

15bags/carton

Operation temperature:-20~50°C

Storage temperature:-30~80°C

Packing: 5meters led strip as one roll, one roll put into one bag, 15bags packed into one carton  
The maximum capacity is 10 meters. LED strips can be packed in a roll and a bag
